* Includes offenses against public peace, justice, and public administration; conspiracy, complicity and attempt.

**IPP offenders are supervised under PRC

*** Offenders released to a halfway house under transitional control (TRC) release.

****ORAS requires more time to complete than SAP thus a case released to supervision at the middle or end of the month may not yet have an assigned supervision level. Officers have 30 days to complete an assessment thus such cases would be assigned 'New' until the assessment is complete in the following month.
