RE: 2019 Annual Jail Inspection

Dear Sheriff Robert Leahy:

In accordance with Section 5120.10 of the Ohio Revised Code and Executive Order 92-03 of the Department of Rehabilitation and Correction, the Clermont County Jail, a full service jail, was inspected on 07/16/2019. The inspection was restricted to assessing compliance with a group of standards, selected from the Standards for Jails in Ohio promulgated by the Department of Rehabilitation and Correction. The group of standards being inspected focused on Reception & Release, Classification, Security, Housing, Sanitation and Environmental Conditions, Communication, Visitation, Medical and Mental Health Services, Food Service, Recreation and Programming, Inmate Discipline, Administrative Segregation, Grievance, Staffing, and Staff Training. The inspection consisted of this Inspector receiving and/or reviewing requested documentation and/or materials, touring selected areas of the jail, and having discussions with various jail staff.

The total actual general housing capacity for the Clermont County Jail is 370. On the date of the jail inspection, there were 369 inmates incarcerated in the Clermont County Jail. The Ohio Department of Rehabilitation and Correction recommended housing capacity for the jail is 370, which is based upon total available living space and other requirements. Officials should maintain prisoner counts within the Department's recommended capacity figure .

The Clermont County Jail (Full Service Jail) is in compliance with 112 standards, 52 "Essential", and 60 "Important".

The Clermont County Jail did not comply with 3 standards, 1 "Essential", and 2 "Important". This letter is intended to serve as a basis for developing plans of action for bringing the facility into compliance with the deficiencies noted during the inspection.

5120:1-8-04 (A) (4) Full service jails shall provide inmates with sufficient space. The jail shall maintain documentation regarding square footage and maximum occupancy figures for all housing and holding areas, and shall comply with the following minimum requirements: Dayspace: (Important) Thirty-five square feet per number of occupants occupying the dayspace at one time. Minimum size of one hundred five square feet.

Comments: On the day of the inspection North A,C,D,E,F were over capacity and the facility has 24 unapproved beds. Jail officials should remove unauthorized beds and maintain dorms with in standard .

5120:1-8-09 (D) (Essential) Health appraisal. Within fourteen days, a licensed nurse, physician, physician's assistant, EMT or paramedic shall complete a health appraisal to determine the medical and mental health condition for each inmate in custody. Such appraisal shall at least include the following:

- (1) Review of receiving screen.
- (2) Collection of additional data to complete the medical, dental and mental health history.
- (3) Laboratory and/or diagnostic tests to detect tuberculosis and other suspected communicable diseases as designated by the health authority.
- (4) Recording the height, weight, pulse, blood pressure and temperature.
- (5) Medical examination as determined by the examiner.
- (6) Mental health assessment.
- (7) Initiation of therapy when determined necessary by the examiner.
- (8) Development and implementation of a treatment plan.
- (9) Other test and examination as determined by the examiner or health authority.

Comments: On the day of the inspection 14 day health appraisals are not being done if the inmate is a re-admit and has had one completed within the previous 12 months. Jail officials must do 14 day health appraisals on all incoming inmates regardless of last incarceration time at the jail. Jail needs to update their policy and procedures to reflect the Standards for Jails in Ohio.

5120:1-8-18 (B) (Important) Correctional officers shall receive training as follows :

- (1) Training in jail policies and within sixty days of employment.
- (2) During the first year of assignment, training consistent with Chapter 109:2-9 of the Administrative Code.
- (3) Eight hours of-service training each subsequent year of employment addressing specific job assignments and/or jail related issues. These training hours are in addition to training mandated by other standards.

Comments: On the day of the inspection, documentation provided did not specify training in jail policies and procedures within sixty days of employment. The jails current policy and procedures need updated to reflect the Standard and components specified.

Plan of action forms are enclosed. Completed form(s) and/or corrective materials addressing the noted deficiencies must be completed and submitted through the Ohio Jail Management System (OHJMS) at [www.OHJMS.Intelligrants.com](http://www.OHJMS.Intelligrants.com) within 45 days of receipt of this correspondence. Please feel free to contact the Bureau if you need assistance or clarification in this effort. The Bureau remains available to discuss the aspects of this report or to provide reference materials or assistance as desired.

Sincerely,
