RE: 2019 – Annual Jail Inspection

Dear Sheriff Sigsworth,

The Bureau of Adult Detention has received the corrective material you forwarded to our office in response to the annual inspection of the Erie County Jail on June 4, 2019. We appreciate your efforts in attempting to maintain compliance with the Standards for Jails in Ohio.

I have reviewed the provided material. The documentation will increase the level of compliance for the Erie County Jail on specific standards reviewed this year. The jail is now in compliance with Essential Jail Standard: 5120: 1-8-10(B). The facility remains out of compliance with Important Jail Standards: 5120: 1-8-04(A)(4); -04(B); -04(C); and -04(G). The Erie County Jail is now compliant with 100% of the Essential Standards and at least 90% of the Important Standards, meeting the requirements of a **“Compliant Jail”**.

Your continuing effort to maintain compliance with the Standards for Jails in Ohio is to be commended. The Bureau encourages the jail to correct the remaining deficiencies noted in the inspection report prior to the next jail inspection. Congratulations and thank you for your cooperation in the 2019 annual inspection process.

Sincerely,
