RE: 2019 – Annual Jail Inspection

Dear Sheriff Baldwin,

The Bureau of Adult Detention has received the corrective material you forwarded to our office in response to the annual inspection of the Franklin County Corrections Center II on August 26th, 2019. We appreciate your efforts in attempting to maintain compliance with the Standards for Jails in Ohio.

Inspector Landrum and I have reviewed the provided material. The documentation will increase the level of compliance for the Franklin County Corrections Center II on specific standards reviewed this year. The jail is now in compliance with Important Jail Standard: 5120: 1-8-03(B)(16). The facility remains out of compliance with Important Jail Standards: 5120: 1-8-04(A)(4); -04(B); -04(F); -04(G); -04(H) and -05(G)(2). The Franklin County Corrections Center II is now compliant with 100% of the Essential Standards and at least 90% of the Important Standards, meeting the requirements of a “**Compliant Jail**”.

Your continuing effort to maintain compliance with the Standards for Jails in Ohio is to be commended. The Bureau encourages the jail to correct the remaining deficiencies noted in the inspection report prior to the next jail inspection. Congratulations and thank you for your cooperation in the 2019 annual inspection process.

Sincerely,
