RE: 2019 Annual Jail Inspection

Dear Sheriff Scott Hildenbrand:

In accordance with Section 5120.10 of the Ohio Revised Code and Executive Order 92-03 of the Department of Rehabilitation and Correction, the Geauga County Safety Center, a full service jail, was inspected on 09/10/2019. The inspection was restricted to assessing compliance with a group of standards, selected from the Standards for Jails in Ohio promulgated by the Department of Rehabilitation and Correction. The group of standards being inspected focused on Reception & Release, Classification, Security, Housing, Sanitation and Environmental Conditions, Communication, Visitation, Medical and Mental Health Services, Food Service, Recreation and Programming, Inmate Discipline, Administrative Segregation, Grievance, Staffing, and Staff Training. The inspection consisted of this Inspector receiving and/or reviewing requested documentation and/or materials, touring selected areas of the jail, and having discussions with various jail staff.

The total actual general housing capacity for the Geauga County Safety Center is 182. On the date of the jail inspection, there were 164 inmates incarcerated in the Geauga County Safety Center. The Ohio Department of Rehabilitation and Correction recommended housing capacity for the jail is 182, which is based upon total available living space and other requirements. Officials should maintain prisoner counts within the Department's recommended capacity figure.

The Geauga County Safety Center (Full Service Jail) is in compliance with 113 standards, 52 "Essential", and 61 "Important".

The Geauga County Safety Center did not comply with 2 standards, 1 "Essential", and 1 "Important". This letter is intended to serve as a basis for developing plans of action for bringing the facility into compliance with the deficiencies noted during the inspection.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (9) (Essential) Inmates in physical restraints shall be personally checked by staff every ten minutes. The report of the use of physical restraints shall be reviewed and signed off by a non involved supervisor or higher ranking personnel. The use of physical restraints shall be reviewed for policy compliance by the jail administrator or designee.

Comments: The jail's supporting documentation did not evidence jail staff conducted personal checks on inmates in restraints, every ten (10) minutes in accordance with the standard.

5120:1-8-15 (E) (Important) Inmates held in administrative segregation for thirty consecutive days shall receive an administrative review by the jail administrator or designee. Subsequent reviews shall be conducted every thirty days. Reviews shall be documented.

Comments: The jail's supporting documentation evidenced subsequent reviews for inmates held in administrative segregation were not conducted every thirty (30) days in accordance with the standard.

Plan of action forms are enclosed. Completed form(s) and/or corrective materials addressing the noted deficiencies must be completed and submitted through the Ohio Jail Management System (OHJMS) at www.OHJMS.Intelligrants.com within 45 days of receipt of this correspondence. Please feel free to contact the Bureau if you need assistance or clarification in this effort. The Bureau remains available to discuss the aspects of this report or to provide reference materials or assistance as desired.
