RE: 2019 Annual Jail Inspection

Dear Sheriff Todd Corbin:

In accordance with Section 5120.10 of the Ohio Revised Code and Executive Order 92-03 of the Department of Rehabilitation and Correction, the Huron County Jail, a full service jail, was inspected on 10/16/2019. The inspection was restricted to assessing compliance with a group of standards, selected from the Standards for Jails in Ohio promulgated by the Department of Rehabilitation and Correction. The group of standards being inspected focused on Reception & Release, Classification, Security, Housing, Sanitation and Environmental Conditions, Communication, Visitation, Medical and Mental Health Services, Food Service, Recreation and Programming, Inmate Discipline, Administrative Segregation, Grievance, Staffing, and Staff Training. The inspection consisted of this Inspector receiving and/or reviewing requested documentation and/or materials, touring selected areas of the jail, and having discussions with various jail staff.

The total actual general housing capacity for the Huron County Jail is 134. On the date of the jail inspection, there were 120 inmates incarcerated in the Huron County Jail. The Ohio Department of Rehabilitation and Correction recommended housing capacity for the jail is 134, which is based upon total available living space and other requirements. Officials should maintain prisoner counts within the Department's recommended capacity figure .

The Huron County Jail (Full Service Jail) is in compliance with 115 standards, 53 "Essential", and 62 "Important".

The Huron County Jail did not comply with 1 standards, 0 "Essential", and 1 "Important". This letter is intended to serve as a basis for developing plans of action for bringing the facility into compliance with the deficiencies noted during the inspection.

5120:1-8-18 (B) (Important) Correctional officers shall receive training as follows:

- (1) Training in jail policies and within sixty days of employment.
- (2) During the first year of assignment, training consistent with Chapter 109:2-9 of the Administrative Code.
- (3) Eight hours of-service training each subsequent year of employment addressing specific job assignments and/or jail related issues. These training hours are in addition to training mandated by other standards.

Comments: On the day of the inspection there were three officers who did not receive their required training during the first year of assignment(Basic OPOTA).

The Huron County Jail is in compliance with 100% of the Essential Standards and at least 90% of the Important Standards meeting the requirements of a "Compliant Jail". It should be noted however; the jail did not comply with 1 of the Important Standards upon which the facility was inspected. This letter is intended to serve as a basis for developing plans of action for bringing the facility back into compliance with the remaining deficiencies noted during the inspection.

The Bureau of Adult Detention encourages the jail to correct the remaining deficiencies noted in the inspection report prior to the next annual jail inspection. Plan of Action forms are enclosed and can be submitted through the Ohio Jail Management System (OHJMS) at [www.OHJMS.Intelligrants.com](http://www.OHJMS.Intelligrants.com). Feel free to contact the Bureau if you need assistance or clarification in this effort. The Bureau remains available to discuss the aspects of this report and to provide reference materials or assistance as desired.

Sincerely,

---
