Dear Sheriff Randell Dodds:

In accordance with Section 5120.10 of the Ohio Revised Code and Executive Order 92-03 of the Department of Rehabilitation and Correction, the Logan County Jail, a full service jail, was inspected on 07/23/2019. The inspection was restricted to assessing compliance with a group of standards, selected from the Standards for Jails in Ohio promulgated by the Department of Rehabilitation and Correction. The group of standards being inspected focused on Reception & Release, Classification, Security, Housing, Sanitation and Environmental Conditions, Communication, Visitation, Medical and Mental Health Services, Food Service, Recreation and Programming, Inmate Discipline, Administrative Segregation, Grievance, Staffing, and Staff Training. The inspection consisted of this Inspector receiving and/or reviewing requested documentation and/or materials, touring selected areas of the jail, and having discussions with various jail staff.

The total actual general housing capacity for the Logan County Jail is 136. On the date of the jail inspection, there were 76 inmates incarcerated in the Logan County Jail. The Ohio Department of Rehabilitation and Correction recommended housing capacity for the jail is 136, which is based upon total available living space and other requirements. Officials should maintain prisoner counts within the Department's recommended capacity figure .

The Logan County Jail (Full Service Jail) is in compliance with 110 standards, 49 "Essential", and 61 "Important".
