RE: 2019 – Annual Jail Inspection/Plans of Action

Dear Sheriff Donini:

The Bureau of Adult Detention has received the Plans of Action and additional corrective material you submitted through the Ohio Jail Management System (OHJMS) in response to the annual inspection of the Scioto County Jail on October 23rd, 2019. We appreciate your efforts in attempting to maintain compliance with the Minimum-Standards for Jails in Ohio.

Inspector Joseph Landrum and I have reviewed the provided material. The jail is now compliant with jail standards: 5120: 1-8-03(B)(9)(Essential); -06(B)(Important); -12(F)(Important); -12(G)(Important); -12(H)(Important) and -17(G)(Important).

The jail remains out of compliance with standards: 5120: 1-8-02(B)(2)(Important); -04(A)(4)(Important); -04(B)(Important); -04(F)(Important); -04(G)(Important); -04(H)(Important) and -09(D)(3)(Essential).

The Plans of Action submitted for the remaining deficiencies appear to identify the proposed means for bringing the Scioto County Jail back into compliance with these Standards. We encourage you to implement these changes as soon as possible. The Scioto County Jail will remain a **Status Jail** until the next inspection or until the remaining corrective action has been completed.

Please feel free to contact me if you have questions or concerns relating to this correspondence. As always, the Bureau remains available to provide technical assistance upon request.

Sincerely,
