RE: 2019 Annual Jail Inspection

Dear Sheriff William Eckelberry:

In accordance with Section 5120.10 of the Ohio Revised Code and Executive Order 92-03 of the Department of Rehabilitation and Correction, the Seneca County Jail, a full service jail, was inspected on 11/26/2019. The inspection was restricted to assessing compliance with a group of standards, selected from the Standards for Jails in Ohio promulgated by the Department of Rehabilitation and Correction. The group of standards being inspected focused on Reception & Release, Classification, Security, Housing, Sanitation and Environmental Conditions, Communication, Visitation, Medical and Mental Health Services, Food Service, Recreation and Programming, Inmate Discipline, Administrative Segregation, Grievance, Staffing, and Staff Training. The inspection consisted of this Inspector receiving and/or reviewing requested documentation and/or materials, touring selected areas of the jail, and having discussions with various jail staff.

The total actual general housing capacity for the Seneca County Jail is 205. On the date of the jail inspection, there were 205 inmates incarcerated in the Seneca County Jail. The Ohio Department of Rehabilitation and Correction recommended housing capacity for the jail is 180, which is based upon total available living space and other requirements. Officials should maintain prisoner counts within the Department's recommended capacity figure .

The Seneca County Jail (Full Service Jail) is in compliance with 110 standards, 51 "Essential", and 59 "Important".

The Seneca County Jail did not comply with 6 standards, 2 "Essential", and 4 "Important". This letter is intended to serve as a basis for developing plans of action for bringing the facility into compliance with the deficiencies noted during the inspection.

5120:1-8-04 (A) (4) Full service jails shall provide inmates with sufficient space. The jail shall maintain documentation regarding square footage and maximum occupancy figures for all housing and holding areas, and shall comply with the following minimum requirements: Dayspace: (Important) Thirty-five square feet per number of occupants occupying the dayspace at one time. Minimum size of one hundred five square feet.

Comments: On the day of the inspection the jail was over the Bureau Recommended Capacity. The jail should work to have population levels within BRC recommendations.

5120:1-8-05 (E) (Essential) The jail shall be inspected annually by local or state health authorities and a written report shall be provided. There shall be a written plan to correct jail-related deficiencies.

Comments: On the date of the inspection the jail did not have an annual health inspection completed.

5120:1-8-05 (G) The jails shall maintain documentation that the following standards are met with regard to interior lighting: (2) (Important) At least fifteen foot-candles, measured thirty inches above the floor, in inmate accessible areas.

Comments: On the day of the inspection light reading in the cells was below standard, this is confirmed with the light readings the jail supplied.

5120:1-8-05 (N) (Important) Training in jail fire safety equipment shall be conducted annually.

Comments: On the day of the inspection the jail did not furnish documents to show that training in jail fire safety equipment was conducted. The jail should make training available in jail fire safety equipment on an annual basis.

5120:1-8-06 (B) (Important) Incoming and outgoing inmate mail, correspondence and packages shall be opened and inspected to intercept contraband or non permitted items. The jail shall document procedures for the appropriate disposition of intercepted items.

Comments: On the day of the inspection the jail is not opening outgoing mail to inspected to intercept contraband. The jail should develop policy and practice to open and inspect outgoing mail.

5120:1-8-09 (D) (Essential) Health appraisal. Within fourteen days, a licensed nurse, physician, physician's assistant, EMT or paramedic shall complete a health appraisal to determine the medical and mental health condition for each inmate in custody. Such appraisal shall at least include the following:

- (1) Review of receiving screen.
- (2) Collection of additional data to complete the medical, dental and mental health history.
- (3) Laboratory and/or diagnostic tests to detect tuberculosis and other suspected communicable diseases as designated by the health authority.
- (4) Recording the height, weight, pulse, blood pressure and temperature.
- (5) Medical examination as determined by the examiner.
- (6) Mental health assessment.
- (7) Initiation of therapy when determined necessary by the examiner.
- (8) Development and implementation of a treatment plan.
- (9) Other test and examination as determined by the examiner or health authority.

Comments: On the day of the inspection the jail did not TB test all incoming inmates. Jail officials should make sure all inmates are TB tested by or at the 14 day health appraisal.

Plan of action forms are enclosed. Completed form(s) and/or corrective materials addressing the noted deficiencies must be completed and submitted through the Ohio Jail Management System (OHJMS) at www.OHJMS.Intelligrants.com within 45 days of receipt of this correspondence. Please feel free to contact the Bureau if you need assistance or clarification in this effort. The Bureau remains available to discuss the aspects of this report or to provide reference materials or assistance as desired.

Sincerely,
