Ohio Central School System (OCSS) was chartered in 1973 by the Ohio Department of Education to provide quality education opportunities to those incarcerated in the Ohio Department of Rehabilitation and Correction (ODRC).

PART FIVE: EVALUATION OF PROPOSAL and CONTRACT AWARD

Evaluation of Proposal Process The evaluation process may consist of up to five distinct phases:

1. Initial Review;
2. Committee's Evaluation of the Proposals;
3. Offeror's Performance History with Other Jurisdictions;
4. Request for More Information/Presentations/Interviews; and
5. Contract Negotiations.
6. Contract Award

It is within the purview of the evaluation committee to decide whether phases four and / or five are necessary. The evaluation committee has the right to eliminate or add phases if the committee believes doing so will improve the evaluation process.

It is the intent of ODRC, as a result of this RFP, to make an award to one Offeror. ODRC reserves the right to award in the best interest of the ODRC.

1. Initial Review

a. Format and Completeness

The ODRC Contract Representative will review all timely-submitted Proposals for format and completeness and may reject any incorrectly formatted or incomplete Proposal. The ODRC Contract Representative may waive any non-material defects and allow an Offeror to submit corrections which: do not cause any material unfairness to other Offerors, do not create an unfair competitive advantage for the Offeror that is not allowed to other Offerors, and are in ODRC's best interests.

The ODRC Contract Representative will forward all timely-submitted, properly formatted, and complete Proposals to the Evaluation Committee.

b. Rejection of Proposals

A late proposal shall be immediately rejected, and will neither be opened nor evaluated.

ODRC may reject any Proposal that is not in the required format, is incomplete and does not address all the requirements of this RFP, or that ODRC believes is excessive in price or otherwise not in its interests to consider or accept. Additionally, ODRC may cancel this RFP, reject all the Proposals, and seek services through a new RFP or other means.

2. Committee's Evaluation of the Proposals

a. Clarifications & Corrections

During the evaluation process, the evaluation committee may request clarifications from any Offeror under consideration and may give any Offeror the opportunity to correct defects in its Proposal if ODRC believes doing so does not result in an unfair advantage for the Offeror and it is in ODRC's best interests.

During the evaluation process, unless clarifying information is requested by ODRC as part of the evaluation process, any attempt on the part of the Offeror, the Offeror's

agent(s), or any party representing the Offeror, to submit correspondence that is determined by ODRC to be an attempt to compromise the impartiality of the evaluation, or any attempt on the part of the Offeror to communicate with any member of the ODRC regarding the evaluation process may be grounds for immediate disqualification of the Offeror.

b. Committee Review of the Proposals

The Evaluation Committee will evaluate and award points to each Proposal that passes initial review. The point awards will be according to the criteria contained in Part Six of this RFP. The Committee reserves the right to seek reviews or the advice of other State personnel with technical or professional experience that relates to this RFP. The Committee may adopt or reject any recommendations it receives from such reviews and advice or give them such weight as the Committee believes is appropriate. The evaluation will result in a point total being calculated for each Proposal.

The Committee will meet and review each Offeror's awarded points and come to an agreement on a Required Components Point Total. The Required Components Point Total and the Price Points will be combined to obtain each Offeror's Total Combined Points.

The Offeror with the highest Total Combined Points shall be considered the highest ranked and may determine contract award if the Offeror is also considered responsive and responsible. Offerors will be considered responsive by fully completing and submitting the information required by this RFP and considered responsible based on past contract performance as identified by the Committee's use of the information provided in Attachment One, Offeror Profile Summary.

The Committee may also determine that interviews/presentations are necessary to select the highest ranked. In that event, the highest ranked proposers may be contacted to meet with the Committee.

3. Offeror's Performance History with Other Jurisdictions

All information sought by the Committee to evaluate Offeror's responsibility shall be obtained in a manner such that no Offeror is provided an unfair competitive advantage. The Committee shall use Attachment One, Offeror Profile Summary, to conduct a responsibility evaluation for the Offeror whose Proposal is the highest ranking. The responsibility evaluation will measure the length of experience selected entities listed in Attachment One had with the Offeror and the Offeror's assumption of responsibility during their contract period (fulfillment of contractual responsibility).

4. Request for More Information

a. Interviews, Presentations and Demonstrations

The Committee may require an Offeror to interview with the Committee regarding its Proposal. Such interviews, presentations, and demonstrations provide the Offeror an opportunity to clarify its Proposal and to ensure a mutual understanding of the RFP content. These interviews, presentations, and demonstrations will be scheduled at the convenience and discretion of the Committee. This phase of the evaluation is not an

opportunity for the Offeror to engage in any negotiations over the form of the Proposal or required scope of the work.

After all meetings are completed the Committee, using the same evaluation criteria, may revise the rank of the proposals based on the interviews, presentations, and demonstrations. At that point, the Proposal with the highest rank will determine the contract award.

b. Background Investigations

Background investigations will be performed in accordance with ODRC Policy 34-PRO-07 VI.B.2. available from the ODRC website at http://www.drc.ohio.gov/web/drc_policies/drc_policies.htm.

c. Financial Ability

The Evaluation Committee may insist that an Offeror submit financial documents for the past three years if the evaluation committee is concerned that an Offeror may not have the financial ability to carry out the Contract. This is not an essential element of the initial evaluation phase, but may be requested at any time. If the Evaluation Committee finds that the Offeror is not adequate they may reject the Proposal despite its other merits.

5. Contract Negotiations

a. Negotiations

It is entirely within the discretion of the Evaluation Committee, with the advice of ODRC Legal Counsel, to permit negotiations. The Committee is free to limit negotiations to the Offeror of the highest-ranked Proposal and to limit negotiations to a particular aspect of a Proposal. An Offeror must not submit a Proposal assuming there will be an opportunity to negotiate any aspect of the Proposal. Negotiation of the proposed payments may occur if payments are not reasonably related to the deliverables. If the Committee chooses to negotiate, the selected Offeror must negotiate in good faith. If negotiations are unsuccessful with the Offeror of the highest-ranked Proposal, the Committee may then choose to negotiate with the next highest ranking Offeror if considered responsive and responsible.

Any clarifications, corrections, or negotiated revisions that may occur during the negotiation phase will be reduced to writing and be amended in the RFP, the Offeror's Proposal, or the Contract, as appropriate.

b. Failure to Negotiate

If an Offeror fails to provide the necessary information for negotiations in a timely manner, or fails to negotiate in good faith, ODRC may terminate negotiations with that Offeror and begin negotiations with the next Offeror in order of rank if the Offeror is considered responsive and responsible.

6. Contract Award

The contract award process consists of two distinct phases:

- a. Notification of Award / Non-Award; and
- b. Contract Award.

It is the intent of ODRC, as a result of this RFP, to make an award to one Contractor for required services as stated in the scope of work requirements outlined in Part Three of this RFP.

1. Notification of Award / Non-Award

In awarding the Contract, ODRC will issue an award letter to the selected Offeror. The Contract will not be binding on the ODRC until the ODRC's duly authorized representatives signs the Contract, ODRC issues a purchase order and all other prerequisites identified in the Contract have occurred. The selected Offeror will receive an executed copy of the Contract and purchase order.

ODRC will issue a non-award letter to all non-selected Offerors.

2. Contract Award

If this RFP results in a Contract award, the Contract will include this RFP, written amendments to this RFP, the Offeror's Proposal, and written, authorized amendments to the Offeror's Proposal. These Contract documents will be attached and incorporated into the Purchase Contract provided in Attachment Three. This Contract may also include any materials attached and incorporated in the above documents. The general terms and conditions for the Contract are contained in the Purchase Contract. If there are conflicting provisions between the documents that make up the Contract, the order of preference for the documents is as follows:

1. The Contract;
2. This RFP, as amended;
3. The documents and materials attached and incorporated in the RFP;
4. The Offeror's Proposal, as amended; and
5. The documents and materials attached and incorporated in the Offeror's Proposal.

Notwithstanding the order listed above, any amendments issued after the Contract is executed may expressly change the provisions of the Contract. If they do so expressly, then the most recent amendment will take precedence over anything else that is part of the Contract.

NOW, THEREFORE, in consideration of the mutual promises, covenants, and agreements set forth herein, the parties hereto agree as follows:

ARTICLE 1: NATURE OF CONTRACT

Upon such notice and within ten (10) days after receipt of instructions, Contractor shall comply with such instructions and fulfill such requests to Agency's satisfaction. It is expressly understood by the parties that these instructions and requests are for the sole purpose of performing the specific tasks requested to ensure satisfactory completion of the work described in this Contract. The management of the work, including the exclusive right to control or direct the manner or means by which the work is performed, remains with the Contractor. Agency retains the right to ensure that Contractor's work is in conformity with the terms and conditions of this Contract. It is fully understood and agreed that Contractor is an independent contractor and neither Contractor nor its personnel shall at any time, or for any purpose, be considered as agents, servants, or employees of Agency or the State of Ohio.

Such renewal shall begin upon the expiration of the original term or any renewed term, as applicable, and expire as set forth in an Amendment to this Contract.

3.3 It is expressly agreed by the parties that none of the rights, duties, and obligations herein shall be binding on either party if award of this Contract would be contrary to the terms of Ohio Revised Code ("O.R.C.") Section 3517.13 (campaign contribution), O.R.C. Section 127.16 (controlling board), or O.R.C. Chapter 102 (public officers – ethics).

4.5 Payment Due Date. Payments under this Contract will be due on the 30th calendar day after the later of the date of actual receipt of a proper invoice in the office designated to receive the invoice, or the date the service is delivered and accepted in accordance with the terms of this Contract.

ARTICLE 6: TERMINATION OF CONTRACTOR'S SERVICES AND/OR GOODS

- 6.1 Agency may, at any time prior to the completion of services and/or delivery of all goods by Contractor under this Contract suspend or terminate this Contract with or without cause by giving written notice to Contractor.
- 6.2 Contractor, upon receipt of notice of suspension or termination, shall cease work on the suspended or terminated activities under this Contract, suspend or terminate all subcontracts relating to the suspended or terminated activities, take all necessary or appropriate steps to limit disbursements and minimize costs, and, if requested by Agency, furnish a report, as of the date of receipt of notice of suspension or termination, describing the status of all work under this Contract, including, without limitation, results, conclusions resulting therefrom, and any other matters Agency requires.
- 6.3 Contractor shall be paid for services and/or goods provided up to the date Contractor received notice of suspension or termination, less any payments previously made, provided Contractor has supported such payments with detailed factual data containing services and/or goods provided and hours worked. In the event of suspension or termination, any payments made by Agency for which Contractor has not provided services and/or goods shall be refunded.
- 6.4 In the event this Contract is terminated prior to its completion, Contractor, upon payment as specified, shall deliver to Agency all work products and documents which have been prepared by Contractor in the course of providing services and/or goods under this Contract. All such materials shall become and remain the properties of Agency, to be used in such manner and for such purpose as Agency may choose.
- 6.5 Contractor agrees to waive any right to, and shall make no claim for, additional compensation against Agency by reason of such suspension or termination.
- 6.6 Contractor may terminate this Contract upon 90 days prior written notice to Agency.
- 6.7 The Contractor and Agency may terminate this Contract upon mutual written agreement, within a mutually agreeable time period.
- 6.8 A Contractor who breaches this Contract or fails to perform on this Contract may be precluded from being awarded any subsequent contract for the same or similar services and/or goods for up to two (2) years after the termination of this Contract, for cause, by Agency.

ARTICLE 7: RELATIONSHIP OF PARTIES

- 7.1 Agency and Contractor agree that, during the term of this Contract, Contractor shall be engaged by Agency solely on an independent contractor basis, and Contractor shall therefore

be responsible for all Contractor's business expenses, including, but not limited to, employees' wages and salaries, insurance of every type and description, and all business and personal taxes, including income and Social Security taxes and contributions for Workers' Compensation and Unemployment Compensation coverage, if any.

- 7.2 Contractor agrees to comply with all applicable federal, state and local laws, rules, regulations and ordinances in the conduct of the work hereunder.
- 7.3 While Contractor shall be required to provide services and/or goods described hereunder for Agency during the term of this Contract, nothing herein shall be construed to imply, by reason of Contractor's engagement hereunder on an independent contractor basis, that Agency shall have or may exercise any right of control over Contractor with regard to the manner or method of Contractor's provision of services and/or goods hereunder.
- 7.4 Except as expressly provided herein, neither party shall have the right to bind or obligate the other party in any manner without the other party's prior written consent.
- 7.5 License number is not applicable.
- 7.6 The Contractor recognizes the security requirements for entering Agency's facilities and acknowledges receipt of the "Standards of Conduct for Contractor" (DRC 4376). The Contractor agrees to comply with these standards and with safety rules and procedures. Due to institutional security requirements, the Agency staff may require the Contractor to document when the Contractor or any subcontractor is on state property.
- 7.7 The Contractor understands and agrees that Agency expressly reserves the right to conduct a background investigation on the Contractor, subcontractor, assistants and any employee required to provide services and or goods. An unacceptable background history may, at Agency's discretion, be grounds to terminate the Contract or reject any unacceptable subcontractors or other individuals providing services and/or goods under the Contract.
- 7.8 Any misrepresentation or omission of a material fact concerning the Contractor's qualifications and fitness to provide services and/or goods under this Contract may be grounds for termination, as may be determined within the discretion of the Agency.

ARTICLE 8: RECORD KEEPING

During performance of this Contract and for a period of three years after its completion, Contractor shall maintain auditable records of all charges pertaining to this Contract and shall make such records available to Agency as Agency may reasonably require.

ARTICLE 9: RELATED AGREEMENTS

- 9.1 The work contemplated in this Contract is to be performed by Contractor, who may subcontract without Agency's approval for the purchase of articles, supplies, components, or special mechanical services that do not involve the type of work or services and/or goods described in Article 2, Scope of Services and/or Goods, but which are required for its satisfactory completion. Contractor shall not enter into other subcontracts without prior written approval by Agency. All work subcontracted shall be at Contractor's expense.
- 9.2 Contractor shall bind its subcontractors to the terms of this Contract, so far as applicable to the work of the subcontractor, and shall not agree to any provision which seeks to bind Agency to terms inconsistent with, or at variance from, this Contract.

- 9.3 Contractor warrants that it has not entered into, nor shall it enter into, other agreements, without prior written approval of Agency, to perform substantially identical work for the State of Ohio such that the product contemplated hereunder duplicates the work called for by the other agreements.
- 9.4 Contractor shall furnish to Agency a list of all subcontractors, their addresses, and their principal location of business, tax identification numbers, and the dollar amount of each subcontract.

ARTICLE 10: CONFLICTS OF INTEREST AND ETHICS COMPLIANCE

- 10.1 No personnel of Contractor or member of the governing body of any locality or other public official or employee of any such locality in which, or relating to which, the work under this Contract is being carried out, and who exercise any functions or responsibilities in connection with the review or approval of this Contract or carrying out of any such work, shall, prior to the completion of said work, voluntarily acquire any personal interest, direct or indirect, which is incompatible or in conflict with the discharge and fulfillment of his or her functions and responsibilities with respect to the carrying out of said work.
- 10.2 Any such person who acquires an incompatible or conflicting personal interest, on or after the effective date of this Contract, or who involuntarily acquires any such incompatible or conflicting personal interest, shall immediately disclose his or her interest to Agency in writing. Thereafter, he or she shall not participate in any action affecting the work under this Contract, unless Agency shall determine in its sole discretion that, in the light of the personal interest disclosed, his or her participation in any such action would not be contrary to the public interest.
- 10.3 All Contractors who are actively doing business with the State of Ohio or who are seeking to do business with the State of Ohio are responsible to review and comply with all relevant provisions of O.R.C. Sections 102.01 to 102.09. Contractor certifies that it is currently in compliance and will continue to adhere to the requirements of Ohio ethics laws.

ARTICLE 11: NONDISCRIMINATION OF EMPLOYMENT

- 11.1 Pursuant to O.R.C. Section 125.111, Contractor agrees that Contractor, any subcontractor, and any person acting on behalf of Contractor or a subcontractor, shall not discriminate, by reason of race, color, religion, sex, age, national origin, or disability against any citizen of this state in the employment of any person qualified and available to perform the work under this Contract.
- 11.2 Contractor further agrees that Contractor, any subcontractor, and any person acting on behalf of Contractor or a subcontractor shall not, in any manner, discriminate against, intimidate, or retaliate against any employee hired for the performance of work under this Contract on account of race, color, religion, sex, age, national origin, or disability.
- 11.3 The O.R.C. section 125.111 requires any Contractor doing business with the state of Ohio to maintain a written affirmative action program addressing employment practices. The law further requires that this plan be filed annually with the Department of Administrative Services, Equal Employment Opportunity Division.
- 11.4 Contractor and any subcontractor shall not engage in discriminatory employment practices. Contractor certifies that it and any subcontractor will comply with all applicable federal and state laws, as well as rules and regulations governing fair labor and employment practices. Contractor and any subcontractor are encouraged to purchase goods and services from

certified Minority Business Enterprise and Encouraging Diversity, Growth and Equity vendors.

ARTICLE 12: RIGHTS IN DATA AND COPYRIGHTS/PUBLIC USE

- 12.1 Agency shall have unrestricted authority to reproduce, distribute and use (in whole or in part) any reports, data or materials prepared by Contractor pursuant to this Contract. No such documents or other materials produced (in whole or in part) with funds provided to Contractor by Agency shall be subject to copyright by Contractor in the United States or any other country.
- 12.2 Contractor agrees that all deliverables hereunder shall be made freely available to the general public to the extent permitted or required by law.

ARTICLE 13: LIABILITY

- 13.1 Contractor agrees to indemnify and to hold Agency and the State of Ohio harmless and immune from any and all claims for injury or damages arising from this Contract which are attributable to Contractor's own actions or omissions or those of its trustees, officers, agents, employees, subcontractors, suppliers, third parties utilized by Contractor, or joint ventures while acting under this Contract. Such claims shall include any claims made under the Fair Labor Standards Act or under any other federal or state law involving wages, overtime, or employment matters and any claims involving patents, copyrights and trademarks.
- 13.2 Contractor shall bear all costs associated with defending Agency and the state of Ohio against any claims.
- 13.3 In no event shall either party be liable to the other party for indirect, consequential, incidental, special, or punitive damages, or lost profits.
- 13.4 Contractor agrees, at its own cost, to procure and continue in force at all times during the term of the Contract, general liability insurance with a \$2,000,000 annual aggregate and a \$1,000,000 per occurrence limit for bodily injury, personal injury, wrongful death and property damage. The defense cost shall be outside of the policy limits. Such policy shall designate the State of Ohio and the Ohio Department of Rehabilitation and Correction as an Additional Insured. The policy shall also be endorsed to include a waiver of subrogation and provide the state with thirty (30) day written notice of cancellation or expiration or material change. It is agreed that the Contractor's commercial general liability insurance shall be primary over any other coverage. Umbrella/excess liability insurance may be used to meet the required limits and the coverage must follow form. The state reserves the right to approve all policy deductibles, levels of self-insured retention, captive insurance programs and may require the Contractor to have their policy(s) endorsed to reflect per project/per location general aggregate limits. Such insurance shall be written by a company authorized to conduct such business in the State of Ohio, with at least an A- "Excellent" rating from A.M. best Company.

The requirement to procure general liability insurance may be reduced/waived/self-insured with the prior written consent of the Agency's Division of Legal Services since certain contractors have potentially less or no exposure in liability depending on the nature of their work under the Contract.
- 13.5 Contractor agrees, at its own cost, to maintain workers' compensation as required by Ohio law and in compliance with the Ohio Bureau of Workers' Compensation.

ARTICLE 14: COMPLIANCE WITH LAWS

Contractor, in the execution of duties and obligations under this Contract, agrees to comply with all applicable federal, state and local laws, rules, regulations and ordinances.

ARTICLE 15: DRUG FREE WORKPLACE

Contractor agrees to comply with all applicable federal, state and local laws regarding smoke-free and drug-free work places and shall make a good faith effort to ensure that none of its employees or permitted subcontractors engaged in the work being performed hereunder purchase, transfer, use, or possess illegal drugs or alcohol, or abuse prescription drugs in any way.

ARTICLE 16: CAMPAIGN CONTRIBUTIONS

Contractor hereby certifies that all applicable parties listed in Division (I) (3) or (J) (3) of O.R.C. Section 3517.13 are in full compliance with Divisions (I) (1) and (J) (1) of O.R.C. Section 3517.13.

ARTICLE 17: ENTIRE AGREEMENT/WAIVER

- 17.1 This Contract contains the entire agreement between the parties hereto and shall not be modified, amended or supplemented, or any rights herein waived, unless specifically agreed upon in writing by the parties hereto.
- 17.2 This Contract supersedes any and all previous agreements, whether written or oral, between the parties.
- 17.3 A waiver by any party of any breach or default by the other party under this Contract shall not constitute a continuing waiver by such party of any subsequent act in breach of or in default hereunder.

ARTICLE 18: NOTICES

All notices, consents, and communications hereunder shall be given in writing, shall be deemed to be given upon receipt thereof, and shall be sent to the addresses first set forth above.

ARTICLE 19: HEADINGS

The headings in this Contract have been inserted for convenient reference only and shall not be considered in any questions of interpretation or construction of this Contract.

ARTICLE 20: SEVERABILITY

The provisions of this Contract are severable and independent, and if any such provision shall be determined to be unenforceable in whole or in part, the remaining provisions and any partially enforceable provision shall, to the extent enforceable in any jurisdiction, nevertheless be binding and enforceable.

ARTICLE 21: CONTROLLING LAW

This Contract and the rights of the parties hereunder shall be governed, construed, and interpreted in accordance with the laws of the State of Ohio and only Ohio courts shall have jurisdiction over any action or proceeding concerning the Contract and/or performance thereunder.

ARTICLE 22: ASSIGNMENT AND DELEGATION

The Contractor will not assign any of its rights nor delegate any of its duties and responsibilities under this Contract without prior written consent of the State. Any assignment or delegation not consented to may be deemed void by the State.

ARTICLE 23: FINDINGS FOR RECOVERY

Contractor warrants that it is not subject to an “unresolved” finding for recovery under O.R.C. Section 9.24. If this warranty is found to be false, this Contract is void *ab initio* and Contractor shall immediately repay to Agency any funds paid under this Contract.

ARTICLE 24: DEBARMENT

Contractor represents and warrants that it is not debarred from consideration for contract awards by the Director of the Department of Administrative Services, pursuant to either O.R.C. Section 153.02 or O.R.C. Section 125.25. If this representation and warranty is found to be false, this Contract is void *ab initio* and Contractor shall immediately repay to Agency any funds paid under this Contract.

ARTICLE 25: FORCE MAJEURE

If the Agency or Contractor is unable to perform any part of its obligations under this Contract by reason of force majeure, the party will be excused from its obligations, to the extent that its performance is prevented by force majeure, for the duration of the event. The party must remedy with all reasonable dispatch the cause preventing it from carrying out its obligations under this Contract. The term “force majeure” means without limitation: acts of God; such as epidemics; lightning; earthquakes; fires; storms; hurricanes; tornadoes; floods; washouts; droughts; any other severe weather; explosions; restraint of government and people; war; strikes; and other like events; or any cause that could not be reasonably foreseen in the exercise of ordinary care, and that is beyond the reasonable control of the party.

ARTICLE 26: “SWEATSHOP - FREE” PURCHASING

Contractor certifies that all facilities used for the production of the goods or performances of services under this Contract are not sweatshops and are in compliance with applicable domestic labor, employment, health and safety, environmental and building laws. This certification applies to any and all manufacturers, suppliers and/or subcontractors used by the Contractor in furnishing these goods or services.

If DAS receives a complaint alleging non-compliance with this “sweatshop-free” certification, DAS may enlist the services of an independent monitor to investigate allegations of such non-compliance on the part of the Contractor, any sub-contractors or suppliers used by the Contractor in performance of the Contract. If allegations are proven to be accurate, the Contractor will be advised by DAS of the next course of action to resolve the complaint and the Contractor will be responsible for any costs associated with the investigation. Consequences for violating this certification may include, but are not limited to, cancellation of the contract, a finding by the Agency that the Contractor is not a responsible bidder or a determination that the Contractor is ineligible to receive future contract bid awards. Items that will be considered in an investigation include, but are not limited to standards of wages, occupational safety and work hours.

ARTICLE 27: EXECUTIVE ORDER REQUIREMENTS

The Contractor affirms to have read and understands Executive Order 2011-12K issued by Ohio Governor John R. Kasich and shall abide by those requirements in the performance of this Contract, and shall perform no services required under this Contract outside of the United States. The Executive Order is provided as Attachment C which is attached hereto and incorporated herein.

The Contractor also affirms, understands, and agrees to immediately notify the State of any change or shift in the location(s) of services performed by the Contractor or its subcontractors under this Contract, and no services shall be changed or shifted to a location(s) that are outside of the United States.

ARTICLE 28: TERMINATION, SANCTION, DAMAGES

If Contractor or any of its subcontractors perform services under this Contract outside of the United States, the performance of such services shall be treated as a material breach of the Contract. The State is not obligated to pay and shall not pay for such services. If Contractor or any of its subcontractors perform any such services, Contractor shall immediately return to the State all funds paid for those services. The State may also recover from the Contractor all costs associated with any corrective action the State may undertake, including but not limited to an audit or a risk analysis, as a result of the Contractor performing services outside the United States.

The State may, at any time after the breach, terminate the Contract, upon written notice to the Contractor. The State may recover all accounting, administrative, legal and other expenses reasonably necessary for the preparation of the termination of the Contract and costs associated with the acquisition of substitute services from a third party.

If the State determines that actual and direct damages are uncertain or difficult to ascertain, the State in its sole discretion may recover a payment of liquidated damages in the amount of 25 % of the value of the Contract.

The State, in its sole discretion, may provide written notice to Contractor of a breach and permit the Contractor to cure the breach. Such cure period shall be no longer than 21 calendar days. During the cure period, the State may buy substitute services from a third party and recover from the Contractor any costs associated with acquiring those substitute services.

Notwithstanding the State permitting a period of time to cure the breach or the Contractor's cure of the breach, the State does not waive any of its rights and remedies provided the State in this Contract, including but not limited to recovery of funds paid for services the Contractor performed outside of the United States, costs associated with corrective action, or liquidated damages.

ARTICLE 29: EXECUTION

This Contract is not binding upon Agency unless executed in full.
