I. AUTHORITY

Ohio Revised Code 5120.01 authorizes the Director of the Department of Rehabilitation and Correction, as the executive head of the department, to direct the total operations and management of the department by establishing procedures as set forth in this policy.

II. PURPOSE

The purpose of this policy is to establish guidelines for the provision of non-prescription, over-the-counter (OTC) medication and personal care items to incarcerated individuals through each institutional commissary.

III. APPLICABILITY

This policy applies to all persons employed by, or under contract with, the Ohio Department of Rehabilitation and Correction (ODRC), and to all individuals incarcerated within the ODRC institutions. This policy is not applicable to the Division of Parole and Community Services (DPCS).

IV. DEFINITIONS

The definitions for the below listed terms can be found at the top of the ODRC policies page on the ODRC Intranet at the following:

[Definitions Link](#)

- **Extended Restrictive Housing (ERH)**
- **Limited Privilege Housing (LPH)**
- **Over-the-Counter Medication (OTC)**
- **Residential Treatment Unit (RTU)**
- **Restrictive Housing (RH)**
- **Transitional Program Unit (TPU)**

V. POLICY

It is the policy of the ODRC to provide non-prescription, over-the-counter (OTC) medication and personal care items for incarcerated individuals to purchase through each institutional commissary.

VI. PROCEDURES

A. The following personal care items shall be provided in institutional commissaries. These items must be stocked in quantities based on population utilization.

1. Insoles & arch supports
2. Reading glasses in at least +1.00 and +2.00 strength
3. Adhesive bandages
4. Soft ADA-approved toothbrushes
5. ADA-approved Toothpaste
6. ADA-approved (if available) Dental Floss (waxed or unwaxed):

a. In spools five (5) yards or longer at institutions with a security level of 1 or 2.

Institutions with a security level of 1 or 2 may use eighteen inch (18") lengths of dental floss or floss picks in Limited Privilege Housing (LPH), and Restrictive Housing (RH).

b. Institutions with a security level of 3 or 4, Extended Restrictive Housing (ERH), and Death Row may only use eighteen inch (18") lengths of dental floss or floss picks.

7. Non-Alcohol Fluoride Rinse
8. Sunscreen Lotion
9. Keri Lotion
10. Eucerin Lotion
11. Contact lens solutions

12. Nail clippers (small standard size, no attached files):

The Southern Ohio Correctional Facility (SOCF) shall not provide nail clippers through the commissary; SOCF shall provide nail clippers in each block for population use.

13. Deodorant
14. Feminine hygiene articles (female institutions only)
15. Comb
16. Lip balm

B. Other personal care items not listed in this policy may be stocked at the discretion of the Commissary manager (e.g., soaps, lotions, non-mirrored sunglasses, etc.) with approval of the managing officer.

C. The ODRC Pharmacy and Therapeutics Committee shall maintain a standardized inventory list for oral and topical over-the-counter medications (see attached table).

1. All OTC medication items on the standardized inventory list must be made available through Commissary.
2. OTC medications which are not listed on the standardized inventory list may not be sold through Commissary.

3. All items on the standardized inventory list must be available for purchase through Commissary for no more than 7% above cost.

D. Amounts noted in the quantity column of the standardized inventory list may be purchased through Commissary.

Incarcerated individuals may possess an open container that they are using and two (2) weeks unopened supply.

E. Individuals housed in RTUs and the Sugar Creek Developmental Unit at Allen-Oakwood Correctional Institution (AOCI) do not qualify for self-administration of medication without treatment team approval.

1. This approval shall be provided in writing to the Commissary manager.

2. A treatment team representative shall notify the Commissary manager of changes in residential treatment unit housing.

3. OTC medications shall be advanced level provider (ALP) ordered and nurse administered for individuals residing in RTUs, and the AOCI Dementia Unit.

F. Individuals housed in TPUs may qualify for purchase of OTC medications from the Commissary, except when placement is related to suicide, mental health crisis, medication abuse or medication dealing. In these exceptions, all medication shall be nurse administered.

These exceptions shall be provided in writing to the Commissary manager.

G. Extended Restrictive Housing (ERH) institutions and Death Row shall order and use a security (short) toothbrush.

1. At the managing officer’s discretion, a security (short) toothbrush may be used in ERH, RTUs, and AOCI in-patient.
