- Use of vending machines are permitted with the cleaning of touch points between each use. Items purchased are not to be shared during the visit.
- Physical contact (hug/embrace) between the guest(s) and incarcerated person are permitted at the beginning and end of visits. Kissing is not permitted at any time.

- Holding hands, playing cards and related activities remain prohibited during visitation.
- Reading rooms remain closed.
- Masks must be worn, at all times, by all visitors whether they're vaccinated or not.
- Masks must be worn, at all times, by all inmates whether they're vaccinated or not.
- Masks MUST be worn correctly- covering nose and mouth, the only exception is eating and drinking.
- Disposable masks will be issued to all visitors for use during the visit. Personal masks are not permitted.
- Two guests per inmate- Children under the age of 5 are prohibited.
- All tables, seating and vending machines must be disinfected in between sessions.
- Visitors will have the option of taking an antigen test or they will have the opportunity to present a valid COVID-19 Vaccination Record Card to stand in the place of the antigen test. The vaccination card must show that the final dose was given more than 2 weeks ago. Should there be any question as to the integrity of the vaccination card, the visitor will be required to receive an antigen test prior to being authorized to visit.
- We will not maintain record of visitors who have presented vaccination cards, so it will be required for the vaccination record card to be brought to every visit to be exempt from the antigen test.
