RE: 2017 – Annual Jail Inspection/Plans of Action

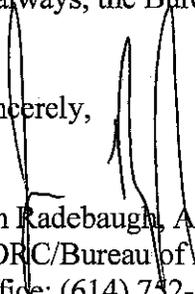

Dear Sheriff Hetzel,

The Bureau of Adult Detention has received the Plans of Action you forwarded through the Ohio Jail Management System (OHJMS) in response to the annual inspection of the Wyandot County Jail on November 16, 2017. We appreciate your efforts in attempting to maintain compliance with the Standards for Jails in Ohio.

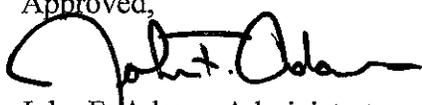

I have reviewed the provided material. The jail was granted a variance on 6/18/18 for Jail Standard 5120: 1-8-04(B). Plans of Action submitted for the remaining deficiencies appear to identify the proposed means for bringing the Wyandot County Jail back into compliance with these Standards. We encourage you to implement these changes as soon as possible. The Wyandot County Jail will remain a *Status Jail* until the next inspection or until the remaining corrective action has been completed.

Please feel free to contact me if you have questions or concerns relating to this correspondence. As always, the Bureau remains available to provide technical assistance upon request.

Sincerely,

Jon Radebaugh, Assistant Administrator

RE: 2017 Annual Jail Inspection

Dear Sheriff Michael Hetzel:

In accordance with Section 5120.10 of the Ohio Revised Code and Executive Order 92-03 of the Department of Rehabilitation and Correction, the Wyandot County Jail, a full service jail, was inspected on 11/16/2017. The inspection was restricted to assessing compliance with a group of standards, selected from the Standards for Jails in Ohio promulgated by the Department of Rehabilitation and Correction. The group of standards being inspected focused on Reception & Release, Classification, Security, Housing, Sanitation and Environmental Conditions, Communication, Visitation, Medical and Mental Health Services, Food Service, Recreation and Programming, Inmate Discipline, Administrative Segregation, Grievance, Staffing, and Staff Training. The inspection consisted of this Inspector receiving and/or reviewing requested documentation and/or materials, touring selected areas of the jail, and having discussions with various jail staff.

The total actual general housing capacity for the Wyandot County Jail is 18. On the date of the jail inspection, there were 17 inmates incarcerated in the Wyandot County Jail. The Ohio Department of Rehabilitation and Correction recommended housing capacity for the jail is 18, which is based upon total available living space and other requirements. Officials should maintain prisoner counts within the Department's recommended capacity figure.

The Wyandot County Jail (Full Service Jail) is in compliance with 46 standards, 17 "Essential", and 29 "Important".

The Wyandot County Jail did not comply with 66 standards, 33 "Essential", and 33 "Important". This letter is intended to serve as a basis for developing plans of action for bringing the facility into compliance with the deficiencies noted during the inspection.

5120:1-8-02 (B) (2) (Important) Each full service jail shall have written policies and procedures, and practices which evidence, compliance with the following standards: Violent and non-violent inmates are not placed in the same cell or unsupervised areas together.

Comments: At the time of inspection, jail administration advised the Bureau that due to the age and layout of the jail, the jail is not able to properly house inmates according to their classification(s). Although they try to accommodate classifications, they are not able to adhere to all components specified in standard

5120:1-8-02 (B) (4) (Important) Each full service jail shall have written policies and procedures, and practices which evidence, compliance with the following standards: Juvenile and adult inmates are separated in a manner consistent with sections 2151.311 and 2152.26 of the Revised Code.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. The jails current policy does state juveniles will be held by physically separating by sight, sound and touch from adults.

5120:1-8-03 (A) Each full service jail shall maintain the following minimum standards in regard to security of the jail. (1) (Essential) An established security perimeter.

Comments: The age and layout of the existing jail does not provide a secure perimeter and/or secure booking and release area. Additionally, per Jail Administration, jail staff use keys/key pads to access various entrance/exit areas of the jail within the secure perimeter.

5120:1-8-03 (A) Each full service jail shall maintain the following minimum standards in regard to security of the jail. (3) (Essential) A secure booking and release area.

Comments: Currently All staff have keys which are used as a means for entrance/exit into the booking and release. Additionally, policy and procedures need updated to reflect this standard in order to provide a secure passage through the controlled area of booking and release. The jail did not upload a policy or any supporting documentation for this standard.

5120:1-8-03 (A) Each full service jail shall maintain the following minimum standards in regard to security of the jail. (5) (Essential) If installed, closed circuit televisions that are operational and preclude the monitoring of shower, toilet and clothing exchange areas.

Comments: At the time of inspection, a policy shall support the use of close circuit cameras had not been uploaded in order to evidence compliance. It was also observed that all jail cameras were operational during the inspection.

5120:1-8-03 (A) Each full service jail shall maintain the following minimum standards in regard to security of the jail. (6) (Essential) A two-way communications system between central control, staffed posts and inmate occupied areas.

Comments: At the time of inspection it was observed that during daytime hours, that several areas do have 2-way communications as long as they are in the dayroom areas. During night time hours, Jail Administration explained that inmates are placed in lockdown and would not have access to the two way communication system. The cells are not equipped with 2-way communication systems and does not meet the intent of the standard. Inmates shall be able to verbally contact the jail staff on duty by speaking at a normal conversational level.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (2) (Important) All inmates shall be searched whenever entering or leaving the jail's security perimeter to control contraband.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (2) (Important) All inmates shall be searched whenever entering or leaving the jail's security perimeter to control contraband.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (4) (Essential) There is a plan that guides the jail's response to emergencies. All jail personnel are trained in the implementation of the emergency plan. The emergency plan should include procedures to be followed in situations that threaten jail security.

Comments: At the time of inspection, Jail Administration did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (6) (Essential) An official count shall be conducted to verify inmates' physical presence and identification. There shall be no less than three official counts daily, not to exceed nine hours in duration from the previous official count. The official counts will be reconciled. Jail staff conducting the count shall record the count.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, Jail Administration provided supporting documentation that did not evidence compliance for this standard.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (8) (Important) In jails that recognize special needs inmates, they shall develop their own policy to address the management of those inmates with special needs.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (9) (Essential) Inmates in physical restraints shall be personally checked by staff every ten minutes. The report of the use of physical restraints shall be reviewed and signed off by a non involved supervisor or higher ranking personnel. The use of physical restraints shall be reviewed for policy compliance by the jail administrator or designee.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (10) In regard to the use of force:

(a) (Essential) Use of force shall be limited to instances of justifiable self-defense, prevention of self-inflicted harm, protection of others, prevention of riot, discharge of firearm or other weapon, escape or other crime and controlling or subduing an inmate who refuses to obey a staff command or order.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (10) In regard to the use of force:

(b) (Essential) Use of force shall be limited to the amount of force necessary to control a given situation and shall include a continuum of escalating force levels. In no event is physical force used as punishment.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and

components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (10) In regard to the use of force:

(d) (Essential) Use of force incidents shall be recorded and reviewed by the jail administrator or designee.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (12) (Important) Inmate movement from one area to another is controlled by staff.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (15) (Important) Same gender and cross gender supervision guidelines shall be provided in policy and procedure.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (16) (Important) Keys, tools and culinary equipment are inventoried and use is controlled.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-03 (B) Each full service jail shall have written policies and procedures, and practices which evidence, that the following minimum standards are maintained. (17) (a) (Important) Stored in a secure area and used by inmates only under direct supervision and used only in accordance with manufacturer's instruction. The substances are only accessible to authorized persons.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-04 (A) (4) Full service jails shall provide inmates with sufficient space. The jail shall maintain documentation regarding square footage and maximum occupancy figures for all housing and holding areas, and shall comply with the following minimum requirements: Dayspace: (Important) Thirty-five square feet per number of occupants occupying the dayspace at one time. Minimum size of one hundred five square feet.

Comments: At the time of inspection, due to the age and layout of the facility, inmate dayspace does not meet the minimum square footage requirements for this standard.

5120:1-8-04 (B) (Important)) Seating shall be provided in holding areas, holding cells, housing cells, dormitories, dayrooms and eating areas for each inmate.

Comments: Due to the age and layout of the facility, the jail does not provide seating in all areas specified in jail standard. This is defined as actual seating designed for this purpose and does not include the floor or other areas not specifically designed for seating.

5120:1-8-04 (C) (Important) Single cells/rooms and multiple occupancy cells/rooms/dormitories shall have an air circulation of fifteen cubic feet of outside or recirculated filtered air per minute per occupant or as required by the local authority having jurisdiction. Documentation from a qualified source shall be maintained by the jail.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-04 (K) (Essential) Unadjudicated juvenile inmates shall be separated by sight and sound from adult inmates.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-05 (B) (Essential) All areas of a full service jail shall be safe and sanitary, including the food service and laundry areas. Staff and inmates shall have specific housekeeping responsibilities, which shall include, but are not limited to daily cleaning of toilets, urinals, sinks, drinking facilities and showers in areas occupied by inmates and disposal of garbage.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-05 (C) (Essential) Monthly sanitation, vermin and safety inspections of all areas shall be done by a designated trained staff person.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, Jail Administration provided supporting documentation that did not evidence compliance for this standard.

5120:1-8-05 (E) (Essential) The jail shall be inspected annually by local or state health authorities and a written report shall be provided. There shall be a written plan to correct jail-related deficiencies.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified and shall include a written plan to correct jail related issues.

5120:1-8-05 (G) The jails shall maintain documentation that the following standards are met with regard to interior lighting: (1) (Important) At least twenty foot-candles, measured thirty inches above the floor, in inmate reading areas.

Comments: At the time of inspection, random light meter readings were conducted which resulted in below the requirements for this standard. Several of the inmate occupied areas had lights that were not operable which resulted in the low meter readings. Steps must be taken by Jail Administration to increase the lighting in inmate reading areas.

5120:1-8-05 (G) The jails shall maintain documentation that the following standards are met with regard to interior lighting: (2) (Important) At least fifteen foot-candles, measured thirty inches above the floor, in inmate accessible areas.

Comments: At the time of inspection, random light meter readings were conducted which resulted in below the requirements for this standard. Several of the inmate occupied areas had lights that were not operable which resulted in the low meter readings. Steps must be taken by Jail Administration to increase the lighting in inmate reading areas.

5120:1-8-05 (I) (Important) Each inmate shall be provided the opportunity for a hot shower not to exceed forty-eight hours.

5120:1-8-05 (M) (Essential) The jail shall have a written fire safety plan approved by local fire officials, and that is reviewed annually and updated as needed. The plan shall include fire prevention, training and drills, fire response and post-fire documentation and review. A current copy of the plan shall be maintained at the local fire department.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-05 (N) (Important) Training in jail fire safety equipment shall be conducted annually.

Comments: At the time of inspection, the jail did not provide supporting documentation in order to show adherence for this standard.

5120:1-8-05 (O) (Essential) Fire drills shall be conducted every three months on each shift.

Comments: At the time of inspection, it was observed by supporting documentation provided by the jail that the jail is conducting fire drills, however, the time requirement is not being met and shall be conducted every three months on each shift.

5120:1-8-06 (B) (Important) Incoming and outgoing inmate mail, correspondence and packages shall be opened and inspected to intercept contraband or non permitted items. The jail shall document procedures for the appropriate disposition of intercepted items.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-07 (E) (Important) The jail shall provide general visitation hours that provide inmates the opportunity for thirty minutes of visitation per week. If the jail utilizes video visitation, it will provide weekly general visitation hours that are supported by the video visitation system utilized, no less than twenty minutes per visit. A schedule of visiting hours shall be posted in inmate and visitor areas.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-09 (A) (Essential) Health authority. The jail has a designated health authority with responsibility for health and/or mental health care services pursuant a written agreement, contract or job description. The health authority may be a physician, health administrator or agency. When the health authority is other than a local physician, final clinical judgment rests with a single, designated, responsible, local physician licensed in Ohio. The health authority is responsible and authorized to:

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-09 (B) (Essential) Inmate pre-screen. Before acceptance into jail, health-trained personnel shall inquire about, but not be limited to the following conditions and the health authority shall develop policies for the acceptance or denial of admission for:

- (1) Suicide thoughts/plan.
- (2) Current serious or potentially serious medical or mental health issues needing immediate attention.
- (3) The use of taser, pepper spray or other less lethal use of force during arrest.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-09 (C) (Essential) Receiving screen. Health trained personnel, in accordance with protocols established by the health authority, shall perform a written medical, dental and mental health receiving screening on each inmate upon arrival at the jail and prior to being placed in general population.

(1) Inquiry includes at least the following:

- (a) Current and past illness and health problems;
- (b) Current and past dental problems;
- (c) Current and past mental health problems;
- (d) Allergies;
- (e) Current medications for medical and mental health;
- (f) Hospitalizations for medical or mental health purpose(s);
- (g) Special health needs;
- (h) Serious infection or communicable illness(s);
- (i) Use of alcohol and drugs including types, amounts and frequency used, date or time of last use and history of any problems after ceasing use i.e. withdrawal symptoms;
- (j) Suicidal risk assessment;
- (k) Possibility of pregnancy;
- (l) Other health problems as designated by the health authority.

(2) Observation of the following:

- (a) Behavior including state of consciousness, mental health status, appearance, conduct, tremors and sweating;
- (b) Body deformities and ease of movement;
- (c) Condition of skin, including trauma markings, bruises, lesions, jaundice, rashes, infestations and needle marks or other indications of drug abuse.

(3) Medical disposition of inmate:

- (a) General population;
- (b) General population with prompt referral to appropriate health or mental health services;
- (c) Referral for emergency treatment;
- (d) Medical observation/isolation;
- (e) Mental health observation/precautions;
- (f) Documentation of date, time and signature and title of person completing screening.

Comments: At the time of inspection, Jail Administration did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-09 (D) (Essential) Health appraisal. Within fourteen days, a licensed nurse, physician, physician's assistant, EMT or paramedic shall complete a health appraisal to determine the medical and mental health condition for each inmate in custody. Such appraisal shall at least include the following:

- (1) Review of receiving screen.
- (2) Collection of additional data to complete the medical, dental and mental health history.
- (3) Laboratory and/or diagnostic tests to detect tuberculosis and other suspected communicable diseases as designated by the health authority.
- (4) Recording the height, weight, pulse, blood pressure and temperature.
- (5) Medical examination as determined by the examiner.
- (6) Mental health assessment.
- (7) Initiation of therapy when determined necessary by the examiner.
- (8) Development and implementation of a treatment plan.
- (9) Other test and examination as determined by the examiner or health authority.

Comments: At the time of inspection, several random files were obtained that revealed the jail had not completed health assessments within the time requirement for this standard. A physical examination, collection of health history and other health data shall be conducted for inmates whose confinement will exceed ten days, prior to their fifteenth

consecutive day of confinement. Additionally, Jail Administration provided supporting documentation that did not evidence compliance for this standard.

5120:1-8-09 (F) (Essential) Sick call. A physician and/or qualified health care professional conducts sick call.

- (1) Once per week for jails with an average daily population of less than fifty.
- (2) Three times per week for jails with an average population of less than one hundred ninety-nine.
- (3) Five times per week for jails with an average daily population of two hundred or more.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard. To ensure inmates receive appropriate care, the designated physician or allied medical personnel (LPN, RN) under physician supervision, shall be present at the jail to conduct the sick call a minimum of once each week up to a maximum of five times each week supported by written policy and procedure and be consistent with reported average daily population (ADP).

5120:1-8-09 (G) (Essential) Credentials. All health and mental health care personnel who provide services to inmates are appropriately credentialed according to the licensure, certification, and registration requirements of Ohio. Verification of current credentials is on file at the facility. Health care staff work in accordance with profession-specific job descriptions approved by the health authority.

5120:1-8-09 (H) (Essential) Health and mental health complaints. The jail shall ensure that there is a daily procedure whereby inmates have an opportunity to report medical and mental health complaints through health trained personnel, or for urgent matters, to any jail employee. The jail employee shall contact the appropriate medical or mental health department immediately. An inmate grievance system for medical and mental health treatment shall be established by the health authority. Both daily complaints and grievances shall be:

- (1) Addressed in a timely manner.
- (2) Recorded and maintained on file.
- (3) Reviewed daily by qualified health care personnel and treatment or follow-up shall be provided as necessary.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-09 (J) (Essential) Medical/mental health record. The jail shall maintain an accurate health/mental health record in written or electronic format. The health authority shall develop policies and procedures concerning the following areas:

- (1) Health records remain confidential and are only accessible to personnel designated by the health authority.
- (2) Correctional staff may be advised of inmates' health/mental health status only to preserve the health and safety of the inmate, other inmates, jail staff and in accordance state and federal laws.
- (3) Retention and reactivation of said records if an inmate returns to the facility.
- (4) Transfer of medical/mental health information or record to external care provider.

5120:1-8-09 (K) (Essential) Pharmaceuticals. Pharmaceuticals are managed in accordance with policies and procedures approved by the health authority and in compliance with state and federal laws and regulations and include the following:

- (1) The policies require dispensing and administering prescribed medications by health-trained personnel or professionally trained personnel, adequate management of controlled medications, and provisions of medication to inmates in special management units.
- (2) The jail shall develop a policy, approved by the health authority, regarding incoming medications.

Comments: At the time of inspection, Jail Administration did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-09 (M) (Essential) Mental health services. Inmates evidencing signs of mental illness or developmental

disability shall be referred immediately to qualified mental health personnel. The health authority shall develop policies for the following areas:

- (1) Screening for mental health problems.
- (2) Referral to outpatient services, including psychiatric care.
- (3) Crisis intervention and management of acute psychiatric episodes.
- (4) Stabilization of the mentally ill and prevention of psychiatric deterioration in the jail.
- (5) Referral and admission to inpatient facilities.
- (6) Informed consent.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-09 (N) (Essential) Suicide prevention program. The health authority shall have a plan for identifying and responding to suicidal and potentially suicidal inmates. The plan components shall include:

- (1) Identification - The receiving screening form contains observation and interview items related to the inmate's potential suicide risk. Circumstances include but are not limited to: profound incidents/issues, court dates, loss of significant others either by accident, natural causes or by suicide, sentencing, divorce, rejection, bad news, after a humiliating issue, etc. may be high risk periods for inmates.
- (2) Training - Staff members who work with inmates are trained to recognize verbal and behavioral cues that indicate potential suicide and how to respond appropriately. The plan includes initial and annual training.
- (3) Assessment - The plan specifies a suicide risk assessment and level system. The assessment needs to be completed every time an inmate is identified as being or potentially being suicidal, or if circumstances change. Only a qualified mental health professional may remove inmates from suicide risk status.
- (4) Housing - The plan must designate the housing beds/units for the suicidal or potentially suicidal inmates.
- (5) Monitoring - The plan specifies the procedures for monitoring an inmate who has been identified as potentially suicidal. A suicidal inmate is checked at varied intervals not to exceed ten minutes. Regular documented supervision is maintained. Inmates are placed in a designated cell, all belongings removed and other prevention precautions initiated, as appropriate.
- (6) Referral - The plan specifies the procedures for referring a potentially suicidal inmate and attempted suicides to a mental health care provider or facility, and includes timeframes.
- (7) Communication - The plan specifies for ongoing communications (oral and written), notifications between health care and correctional personnel regarding the status of suicidal inmates.
- (8) Intervention - The plan addresses how to handle a suicide in progress, including first-aid measures.
- (9) Notification - The plan includes procedures of notifying the jail administrator, outside authorities and family members of completed suicides. The plan shall consider safety and security issues when it comes to notification.
- (10) Reporting - The plan includes procedures for documenting, monitoring and reporting attempted or completed suicides. Completed suicides are immediately reported to the coroner/medical examiner and the division of parole and community services within thirty days of the incident.
- (11) Review - The plan specifies procedures for medical and administrative review if a suicide or a serious suicide attempt occurs.
- (12) Critical incident debriefing - The plan specifies the procedures for offering critical incident debriefing to affected staff and inmates.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-09 (P) (Essential) Infectious disease control program. The health authority shall have a written infectious disease control program which collaborates with the local health department and shall include, at minimum, an exposure control plan and standard isolation precautions for inmates and staff, which are updated annually. The health authority shall develop written policy and procedure.

Comments: At the time of inspection, Jail Administration did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-09 (Q) (Essential) Pregnant inmate. Pregnant inmates shall receive appropriate and timely pre-natal care, delivery and postpartum care, as determined by the health authority.

Comments: At the time of inspection, Jail Administration did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-09 (R) (Essential) Restraints. Use of restraints for medical and psychiatric purposes shall be applied in accordance with policies and procedures approved by the health authority, including:

- (1) Conditions under which restraints may be applied.
- (2) Types of restraints to be applied.
- (3) Identification of a qualified medical or mental health professional who may authorize the use of restraints after reaching the conclusion that less intrusive measures are not a viable alternative.
- (4) Monitoring procedures.
- (5) Length of time restraints are to be applied.
 - (a) There shall be ten-minute, varied checks by correctional staff;
 - (b) There shall be thirty-minute checks by health-trained personnel;
 - (c) Inmates in medical restraints, if possible, after every two hours of continuous use, each extremity is freed or exercised for a period of five to ten minutes.
- (6) Documentation of efforts for less restrictive treatment alternatives.
- (7) An after-incident review.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-09 (V) (Essential) Special nutritional and medical diets. Inmate diets are modified when ordered by the appropriate licensed individual to meet specific requirements related to clinical conditions.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, Jail Administration provided supporting documentation in order to evidence compliance for this standard.

5120:1-8-09 (W) (Essential) Intoxication and detoxification. The health authority shall develop specific policies and protocols in accordance with local, state and federal laws for the treatment and observation of inmates manifesting symptoms of intoxication or detoxification from alcohol, opiates, hypnotics, or other drugs. Specific criteria are established for immediately transferring inmates experiencing severe, life-threatening intoxication (overdose) or detoxification symptoms to a hospital or detoxification center.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-09 (X) (Essential) Confidentiality. Information about an inmate's health status is confidential. Non health trained staff only have access to specific medical information on a "need to know" basis in order to preserve the health and safety of the specific inmate, other inmates, volunteers, visitors, criminal justice professionals or correctional staff.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-11 (A) (Important) Exercise and/or equipment for inmates shall be provided and the jail shall ensure that inmates are offered at least five hours per week.

Comments: The age and layout of the existing jail facility does not provide a recreation area for prisoners access to

exercise at least 5 days a week for one hour as mandated by the Ohio Jail Standards.

5120:1-8-12 (B) (Important) There shall be a sanctioning schedule for rule violations. The jail administrator or designee shall approve any penalty exceeding suspension of rights or disciplinary isolation for more than one hundred twenty hours. The maximum sanction for rule violations shall be no more than sixty days for violations arising out of one incident. Continuous confinement for more than thirty days requires the review and approval of the jail administrator or designee.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-12 (C) (Important) Inmate rules shall specify the fundamental rights that cannot be suspended except in an emergency or other condition beyond the control of the jail administrator.

Comments: At the time of inspection, Jail Administration did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-12 (F) (Important) Pre-disciplinary hearing requirements shall include, at minimum a written incident report, an inmate's opportunity to waive in writing the disciplinary hearing, an investigation that commences within twenty-four hours of the incident to determine whether sufficient evidence exists to support the charge, and written notification to the inmate of the nature and date of the violation within twenty-four hours of the alleged violation(s) or discovery of the alleged violation(s).

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-12 (G) (Important) The inmate shall have a minimum period of twenty-four hours after receiving written notification of the rule violation(s) to prepare for the disciplinary hearing. The inmate may waive the twenty-four hour period. The inmate is given a hearing within forty-eight hours excluding holidays, weekends, and emergencies after receiving the written notification if placed in isolation or within three business days if the inmate is not placed in isolation. Postponement of the hearing may be granted.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-12 (H) (Important) Disciplinary hearing requirements shall include an impartial hearing officer appointed by the jail administrator or designee, the inmate's opportunity to be heard, present evidence and question witnesses subject to limitations imposed by the hearing officer, the hearing officer shall state the reasons for any limitations in writing, a written statement by the hearing officer of the facts relied upon and reasons for the imposition of any penalties shall be provided to the inmate and a copy placed in the inmate's file, and selection by the jail administrator or designee of a staff person to assist an inmate when the inmate is unable to effectively communicate.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-15 (B)(Important) The use of administrative segregation as a penalty shall be prohibited.

Comments: Due to the age and layout of the facility, the facility does not have an area that can be utilized for administrative segregation. All housing units are used for general population. The current jail policy and procedures do

not indicate that if an inmate would need to be classified in administrative segregation, the inmate would be transported to another facility as the Wyandot County Jail is not able to accommodate inmates classified in administrative segregation.

5120:1-8-16 (A) (Important) Inmate rules shall include a grievance procedure that is available to inmates and includes at least one level of appeal.

Comments: At the time of inspection, Jail Administration did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-17 (D) (Important) There shall be a written, implemented staffing plan that includes jail personnel assignments, days of the week and hours of the day that assignments are covered and any deviations from the plan with respect to weekends, holidays or other atypical situations.

(1) The plan shall include all posts and functions, a calculated shift relief factor, sufficient numbers of male and female jail staff on-duty and available to perform sensitive functions and procedures as necessary by inmate gender, and total number of employees required to fill identified posts and functions.

(2) The plan shall reflect that the jail has staff for administration and supervision; inmate programs; inmate supervision, custody and back up; support services including medical, food service, maintenance and clerical; staff training; and other jail-related functions such as escort and transportation of inmates.

(3) The staffing plan shall be reviewed once a year by the jail administrator and revised as needed.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified.

5120:1-8-17 (F) (Important) There shall be a written policy and procedure governing the screening, training and use of volunteers in the jail.

Comments: At the time of inspection, Jail Administration did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-17 (G) (Important) A written code of ethics shall be provided to jail staff.

Comments: At the time of inspection, Jail Administration did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-18 (A) (Important) Jail support staff with routine contact shall receive training in pertinent agency policies and procedures prior to or in conjunction with assignment to jail duties.

(1) During the first year of assignment receive twenty-four hours of training including legal aspects of corrections, basic security concepts, emergency preparedness, interpersonal communications, first aid/CPR, unarmed self-defense, and "Standards for Jails in Ohio."

(2) Two hours of in-service training each subsequent year of employment addressing specific job assignments and/or jail related issues.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-18 (B) (Important) Correctional officers shall receive training as follows:

(1) Training in jail policies and within sixty days of employment.

(2) During the first year of assignment, training consistent with Chapter 109:2-9 of the Administrative Code.

(3) Eight hours of-service training each subsequent year of employment addressing specific job assignments and/or jail related issues. These training hours are in addition to training mandated by other standards.

Comments: At the time of inspection, Jail Administration did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-18 (C) (Important) Administrators and supervisors shall receive training in addition to the training specified in paragraph (B) of this rule as follows:

- (1) Training in jail policies and procedures prior to assignment to jail duties.
- (2) During the first year of assignment, forty hours of training including legal aspects of jail management, managerial principles, labor relations, and records/information management.
- (3) Eight hours of in-service training each subsequent year of employment addressing special issues, skills-enhancement, and other assignment related topics.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-18 (D) (Important) Jail support staff with occasional contact shall receive training in pertinent agency policies and procedures prior to or in conjunction with assignment to jail duties.

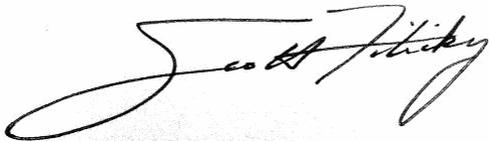

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.

5120:1-8-18 (E) (Important) The jail policies and procedures shall be available to jail staff, reviewed annually and updated by the sheriff, jail administrator, or designee, as needed.

Comments: At the time of inspection, the jails current policy and procedures need updated to reflect this standard and components specified. Additionally, the jail did not provide supporting documentation in order to evidence compliance for this standard.
